

VJTIVeermata Jijabai Technological Institute

(Central Technological Institute, Maharashtra State, INDIA) H. R. Mahajani Marg, Matunga, Mumbai 400019 Tel.No. +91 22 24198101-02 Fax: +91 22 24102874 www.vjti.ac.in

An Autonomous Institute Affiliated to University of Mumbai

Ref: TRANS/UG/219/2017

10th August, 2017

Official Transcript of Academic Record of DIVEKAR ABHISHEK RAJAN REG. NO. 131080051

Year of Admission: 2013 - 2014

Admitted to: Bachelor of Technology (B. Tech.) in Information Technology

Duration of the Programme: 8 Semesters (4 Years)

Year of Graduation: 2016 - 2017 Cumulative Performance Index: 8.74

- Veermata Jijabai Technological Institute (known as Victoria Jubilee Technical Institute) prior to January 26, 1997) was established in 1887 and is one of the premier Institutes in India. The Institute conducts various diploma, post-diploma, graduate and post graduate programmes in the fields of Civil, Computer, Electrical, Electronics, Production. Mechanical, Textile and Information Technology and related fields.
- The admission to the diploma programmes are strictly on merit based on their Secondary School Certificate examination.
 - The admissions to the under graduate degree programmes are strictly on merit based on the state level test conducted by the State Government of Maharashtra after their Higher Secondary Certificate examination.
 - Candidates who complete their Diploma, a three year programme after Secondary School Certificate examination, are also admitted directly to the second year of the under graduate degree programmes strictly on merit.
 - The admissions to the postgraduate programmes are strictly on merit based on GATE examination conducted by IIT.
- The Institute has been awarded status of Autonomous Institute since 2004-2005. The Institute is affiliated to University of Mumbai (known as University of Bombay prior to 1996). The Degree is conferred by the University of Mumbai.
- The medium of instruction at this institute is <u>English</u>.

ESE(W)- End Semester Written Examination ESE(O)- End Semester Oral Examination

SPI - Semester Performance Index

P – Practical hour per week, T- Tutorial hour per week

TA - Teacher Assessment, IST - In Semester Test/s

ESE(P)- End Semester Practical Examination

ESE(Hrs)- End Semester Examination (duration)

CPI - Cumulative Performance Index

Industry - Academia Interaction: Wednesday afternoon slot will be used. Module or broad subject outline will be decided by the course coordinator. Lectures as per module in the defined areas of eminent personalities from industry or academia will be arranged. Assessment will be done on the attendance of the students for the module. More than 75%: Attended, otherwise: Not Attended - F.Y.B.Tech. More than 60%: Attended, otherwise: Not Attended - S.Y.B.Tech.

E-Library/Internet: Every theory course must have at least one assignment or case-study which requires exhaustive internet search/support.

Credit System

Each course has a credit associated with it. For a theory course, one lecture/tutorial hour carries 1 credit and one practical hour carries 0.5 credits.

Performance Evaluation System

VJTI uses relative grading system. The grades are awarded on the basis of continuous assessment of the student. The grades awarded are as under:

| AA | AB | BB | BC | CC | CD | DD | EE | FF |
|-------------|-----------|--------------|------|--------------|---------|----------|----------------|-----------|
| 10.0 | 9 0 | 8.0 | 7.0 | 6.0 | 5.0 | 4.0 | 2.0 | 0.0 |
| Outstanding | Excellent | Very Good | Good | Satisfactory | Average | Marginal | Unsatisfactory | Very Weak |

Other grades like: Au: Audit, P/PP/NP: Pass/No Pass, A/NA: Attended/Not Attended, DR: Dropped out, II: Incomplete due to non-appearance in ESE, RR: Fail due to lack of attendance are also used. Minimum passing grade is DD for Undergraduate and Postgraduate courses.

The students with grades EE & FF are entitled for up to two Re-Examinations. If he/she does not succeed in the two Re-Examinations as above he/she shall have to repeat the course. As per the existing rules, rank in class is not certified except for first position in a class on yearly basis.

Most recent grade for the course shall be taken into account for the computation of SPI / CPI Semester Performance Index (SPI) measures the performance of a student in a particular semester, which is the weighted average of the grades secured in all the courses taken in a semester.

A student has registered for 10 courses in a Semester, out of which three are 4 credits, three 3 credits and four are 1.5 credit courses i.e. a total of (3x4 + 3x3 + 4 x1.5) 27 credits.

If the student secures BB, BC, AA, DD, BC, BB, AB, AA, AB, BB grades respectively in these courses, SPI will be calculated as:

SPI = (4x8 + 4x7 + 4x10 + 3x4 + 3x7 + 3x8 + 1.5x(9+10+9+8)) / 27 = 7.81

Cumulative Performance Index (CPI) measures the performance of a student at the end of a particular semester, taking into account performance in all the courses cleared by a student up to the semester for which the CPI is calculated. The Institute follows grading system on a scale of 10.0, which cannot be converted into any other scale or percentage simply by multiplying or dividing with a factor. Cumulative Performance Index (CPI) of 6.5 and above out of 10.0 at the end of programme is considered as First Class (60%) of other similar programmes of Mumbai University.
